

Donlin Gold is recruiting temporary Field Technicians to support a drilling program located at our remote camp in Western Alaska.

JOB POSTING: Field Technicians

The Field Technicians will be responsible for cutting brush, building drill pads, operating heavy equipment and other duties as assigned.

RESPONSIBILITIES AND DUTIES:

- Comply with safety, environmental policies and procedures.
- Brush cutting to support drilling program.
- Build and construct drill pads using hand and power tools.
- Operate heavy equipment as required.
- Complete pre-shift inspection and field level risk assessments.
- Other duties as assigned by supervision and may include providing support in other departments as necessary.

While performing the duties of this job, employees may be frequently required to stand, walk, or sit for extended periods of time, use hand and fingers to handle or feel, reach with hands and arms, climb or balance, stoop, kneel, crouch, or crawl, regularly required to talk and hear. The employee must occasionally lift and/or move up to 50 pounds and occasionally lift and/or move up to 75 pounds. Specific vision requirements for this position include close vision, distance vision, and the ability to adjust focus.

This position is a 2 week on 2 weeks off rotation. The successful candidate must successfully pass a post-offer physical and drug screen and criminal background clearance.

EDUCATION & EXPERIENCE:

- High School Diploma or equivalent. Must be able to operate a chain saw, power and hand tools and have carpentry skills.

If you are interested in this opportunity, please complete a Donlin Gold application and email jobs@donlinGold.com or mail to: Open until filled.
